Dane Wigington has an extensive background in solar energy. He is a former employee of **Bechtel Corporation** and was a licensed contractor in California and Arizona.
He is the lead researcher for www.geoengineeringwatch.org and has investigated all levels of geoengineering from chemtrails to HAARP. Dane has appeared on an extensive number of interviews to explain the environmental dangers we face on a global level.
We are proud to welcome Dane to the superb lineup of speakers at Freedom Summits 2015:
